## STAR: Students Together Assisting Refugees

### NEW YEAR. NEW EVENT

#### INTRODUCING: DINNER WITH DOCUMENTARY

When STAR started, it had the goal to help raise awareness about the Global Refugee Crisis and work with local and global organizations to better the lives of refugees.

With these goals, STAR is holding a Dinner with Documentary event on Tuesday, February 28, 2023 from 6 PM-8 PM in the Discovery Studio. This event will be FREE to allow for a greater impact.

### Dinner with Documentary!

In this event, the audience will learn more about the Global Refugee Crisis by watching "Refugee" by Alexander J. Farrell. "Refugee" follows the harrowing journey of a Syrian family trying to reunite after being torn apart by the borders of Europe. Afterwards, we will hear from panelists including representatives from local refugee organizations, law students, and even a brief virtual appearance from Congresswoman Ross. The event will also include a Mediterranean spread.
